

THE  
ELIXIR  
COLLECTION

Matki Elixir  
Thermostatic  
Shower Mixers

**Finish**

Matki offer a choice of concealed and exposed Elixir shower mixers. The Elixir concealed shower mixer comes in high quality chrome on a solid brass plate, and both offer chromed brass soft-turn regulators. The contemporary designed controls makes the Elixir a delight to use and complements the style of all Matki shower surrounds.

**Operating and Safety**

The Elixir shower mixers quickly and automatically adjust the water temperature giving a constant pleasurable shower. An internal preset maximum temperature control prevents an unsafe temperature. All the Elixir shower mixers carry a five year guarantee.

**Function**

The Elixir shower mixers are suitable for all approved plumbing systems and have a wide operating range of between 0.1 bar and 5 bar, making Elixir suitable for low pressure gravity systems and high pressure pumped systems. Elixir includes integral non-return valves and ceramic head for precision temperature control.

**Installation**

Recommended 22mm pipework from dedicated supplies into 3/4" BSP mixer ports. All plumbing installations should be carried out in accordance with Water Regulations/Bye-Laws. The Matki Elixir shower mixer exceed EU Standards and is tested prior to packing and includes integral non-return valves.

**Low Maintenance**

The Matki Elixir shower mixer has been designed for low and easy maintenance. A clever patented system keeps the thermostatic mechanism in dry conditions.
