Recess door

Corner door and side panel

Quintesse surround

Features: Illusion door glass uses 8mm toughened safety glass to BS6206A • Polished Celtic Silver anodised frames with chrome plated hinges and top frame • The Illusion door and panel glass is located inside the shower tray eliminating the need for silicon sealant along the base of the surround therefore retaining its clean look • Trays have integral fixings for door and panels and come with tiling lip on wall sides for a secure tray-to-tile water seal • Suitable for power showers • Supplied complete with Fastflow chrome top access shower waste.
