This well-built petite unit is a strong but minimalist design statement for the cloakroom bathroom with its linear detailing, vertical handle and robust square basin. Its silky smooth finish in earthy green is offset by the metallic designer handle which comes in a choice of chrome, brushed gold or matte black. The basin is built from high-grade ceramic with resilient glossy white glazing that is easy to clean.

vanity unit 550MM RANGE

The sturdy floor standing design of the unit gives you plenty of storage space for towels and toiletries behind the two soft-closing doors as well as a convenient shelf.

The decorative grooved lines add texture to the ultra-smooth foil-wrapped finish on the doors which also provides a seamless protective coating.

The curved ceramic basin is a pleasing contrast to the clean lines of the unit with its one tap hole design and overflow.

The vertical handles are available in the three metallic finishes: brushed gold, matte black and chrome.
